

Parent Portal Acceptable Use Policy

Atlantic Community School District has developed the Parent Portal as a means to further promote educational excellence and to enhance communications with parents. The Parent Portal allows parents to view their own child's school records anywhere, any time. In response for the privilege of accessing the ACSD Parent Portal, every parent is expected to act in a responsible, ethical and legal manner. The portal is available to every parent or guardian of a student enrolled in grades K-12 in the Atlantic Community School District. Parents are required to adhere to the following guidelines:

1. Parents **will not share their passwords** with anyone, including their children.
2. Parents will not attempt to harm or destroy data of their own children, of another user, school or district network or the internet.
3. Parents will not use the portal for any illegal activity, including violation of Data Privacy laws. Anyone found to be violating laws will be subject to Civil and/or Criminal Prosecution.
4. Parents will not access data or any account owned by another parent.
5. Parents who identify a security problem with the Parent Portal must notify the school immediately, without demonstrating the problem to anyone else.
6. Parents who are identified as a security risk to the Parent Portal or any other ACSD computers or networks, will be denied access to the Parent Portal.

Only by signing and returning the agreement below will you receive access to the Parent Portal for your student(s) at Atlantic Community Schools.
